BANKRUPTCY RULE 1015-1**

*[No Hearing Required Under Local Bankr.  
R. 9013-1(q)]*

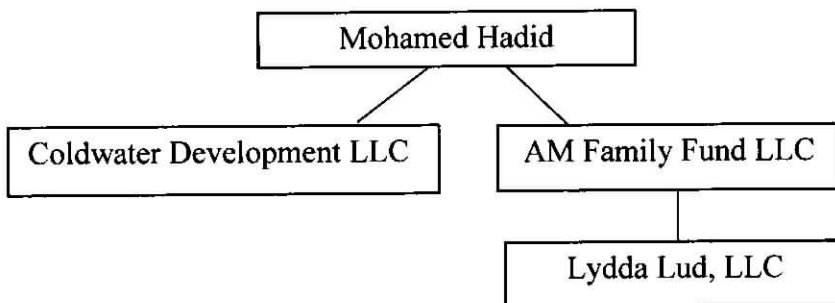

1 I, Mohamed Hadid, declare as follows:

2 1. I am over 18 years of age. I am the principal and member of the debtors and  
3 debtors-in-possession, Coldwater Development LLC (“Coldwater”) and Lydda Lud, LLC  
4 (“Lydda”) (collectively the “Debtors”). Except as otherwise indicated herein, all facts set forth in  
5 this declaration (the “Declaration”) are based upon my personal knowledge or information  
6 supplied to me by my employees, counsel and advisors.

7 2. I submit this declaration in support of the concurrently-filed *Motion for Order*  
8 *Directing Joint Administration of Related Cases Pursuant to Federal Rule of Bankruptcy*  
9 *Procedure 1015(b) and Local Bankruptcy Rule 1015-1.*

10 **Relationship Between Coldwater and Lydda**

11 3. Coldwater and Lydda share a common principal. As illustrated below, I am the  
12 sole member and 100% owner of Coldwater. With respect to Lydda, I am the sole member and  
13 100% owner of AM Family Fund, LLC, which owns 100% of Lydda.

14  
15  
16  
17  
18  
19  
20 **Dispute Concerning the Debtors’ Property**

21 4. The Debtors collectively own six (6) highly prized, vacant, entitled, residential  
22 estate lots (the “Property”), totaling 65.61 acres, that are located in the Santa Monica Mountains  
23 above Beverly Hills.<sup>1</sup>

24 5. The Property is encumbered by a deed of trust to secure a loan (“Loan”) issued by  
25 Romspen California Mortgage Limited Partnership (the “Original Lender”) for the principal  
26 amount of \$25 million. The other liens are comparatively nominal and relate to property taxes that  
27

28 <sup>1</sup> Coldwater owns two (2) lots identified by the Assessor’s Parcel Number (APN) 4387-021-018 and 4387-021-019.  
Lydda owns four (4) lots identified as APN 4387-022-001, 4387-022-002, 4387-020-001, and 4387-020-009.

1 are due and owing as well as an abstract of judgment for what appears to be unpaid legal fees.

2 6. The Property was also recently appraised, and according to a third party appraisal  
3 report, dated November 15, 2020, the “as is” market value of the Property was \$131 million. At  
4 this valuation all creditors with valid secured claims against the Debtors are over secured and  
5 adequately protected by over \$100 million of equity in the Property. The appraisal report, dated  
6 November 15, 2020, was prepared by Paul Jackie & Associates, Inc. and will be presented for  
7 review upon request.

8 7. For years the Property has been the subject of a contentious dispute initiated by an  
9 activist group called “Friends of the Hastain Trail” (the “State Court Plaintiffs”). In September  
10 2011, the State Court Plaintiffs filed a complaint against the Debtors to, among others, quiet title  
11 to a public recreational trail easement through the Property<sup>2</sup>. After receiving an unfavorable  
12 decision from the lower court, the Debtors appealed the lower court’s ruling and judgment. In a  
13 published opinion, the California Court of Appeal reversed the lower court’s judgment against the  
14 Debtors, and instead, held that a public trail easement had not been established on the Property.<sup>3</sup>  
15 The appellate court’s decision was made final when the California Supreme Court declined to  
16 review the matter.

17 8. On information and belief on or around September 11, 2020, an entity called, Give  
18 Back, LLC (“Give Back”), purchased the Loan from the Original Lender and was assigned the  
19 beneficial interest under the related deed of trust recorded against the Property. Shortly thereafter,  
20 Give Back initiated foreclosure proceedings against the Debtors. The foreclosure sale was  
21 scheduled to occur on January 20, 2021. On September 17, 2020, Give Back also filed a state court  
22 action against me for breach of a guaranty agreement related to the Loan.

23 9. Around the same time, in September 2020, the Debtors entered into a forbearance  
24 agreement to address the loan default. For the last four (4) months, the Debtors have sought to  
25 refinance the Loan and secure funding from a new lender to pay off Give Back. However, on at  
26 least one occasion an interested lender has declined to extend financing to the Debtors for the

<sup>3</sup> See *Friends of Hastain Trail v. Coldwater Dev. LLC*, 1 Cal. App. 5th 1013 (2016).

1 Property after inspecting the property and finding fraudulent "Public Notice" signs that encouraged  
2 hikers to challenge the Debtors' building permit applications. The fraudulent signs are not only  
3 contrary to the final decision of the California Court of Appeals, but they imply that the Property  
4 is and will continue to be embroiled in frivolous litigation, which along with the disruptions to the  
5 high-end real estate market associated with the global COVID-19 pandemic, have deterred and  
6 undermined the Debtors' attempts to refinance the loan.

7 10. I am informed and believe that the "Public Notice" signs are fraudulent because they  
8 are not posted by an official governmental entity in accordance with applicable state or federal law,  
9 but were put on the Property by an individual without permission or authority to be on the Property.

10 11. I am informed and believe that Give Back is working with or aligned with the State  
11 Court Plaintiffs to impose an easement on the Property and deprive the Debtors' of their property  
12 rights. I also believe that Give Back may share responsibility for the posting of the false "Public  
13 Notice" signs.

14 12. When efforts to resolve the loan default with Give Back failed and the Debtors'  
15 attempts to refinance the Loan continued to be undermined by the appearance of fraudulent notices,  
16 I determined that it best served the interests of the Debtors and their creditors to file for chapter 11  
17 bankruptcy relief so that the Property's value may be preserved while the Debtors work to refinance  
18 the Property in a manner that will allow the Debtors to effectuate their plan and monetize the  
19 Property for the maximum value.

20 I declare under penalty of perjury under the laws of the United States of America that the  
21 foregoing is true and correct.
